## **DIRECTORS' REVIEW REPORT**

#### Dear Members,

The Board of Directors of your company are pleased to present the condensed interim Financial Statements of the Company for the half year ended December 31, 2021 duly reviewed by the statutory auditors.

#### FINANCIAL PERFORMANCE

During the second quarter, the Company's net sales were Rs.561 million i.e. an increase of 51% as compared to last year. The increase in sales volume has led the gross profit to grow over Rs. 37 million, an increase of 37% over the corresponding quarter of last year. Distribution, administrative and other expenses increased by 27% over last year. As a result, the Company's net profit before tax was Rs. 72.183 million during the second quarter as compared to Rs 92.088 over the corresponding quarter of last year. Net profit before tax includes share of profit of associated companies of Rs. 1.169 million (December 31, 2020: profit of Rs. 45.590 million). Net profit after tax decreased to Rs. 47.406 million representing a decrease of 57.08%. This translated into earnings per share (EPS) of Rs. 4.99 as against Rs. 7.83 of the corresponding quarter of last year.

The financial results for the six months period under review are summarized below:

#### **FINANCIAL RESULTS**

|                        | Six months p | eriod ended |
|------------------------|--------------|-------------|
|                        | Dec. 31,     | Dec. 31,    |
|                        | 2021         | 2020        |
|                        | - Rupees in  | thousand -  |
| Sales - net            | 853,237      | 638,648     |
| Gross profit           | 217,219      | 176,752     |
| Profit from operations | 126,237      | 93,583      |
| Profit before taxation | 109,289      | 118,671     |
| Profit after taxation  | 75,834       | 96,999      |
| Earnings per share     | 7.98         | 10.20       |

It also gives us pleasure to inform that by the grace of Almighty ALLAH SWT and with the dedication of the management, the Company has completed first half of the current financial year with a gross sales turnover of over Rs. 1 billion, and has achieved this benchmark first time ever in history of the Company. During the period under review, the Company's net turnover increased to Rs. 853.237 million from Rs. 638.648 million in the corresponding period of last year. The increased turnover of the Company can be attributed to continued emphasis on quality products and increase in volumetric sale of all key products.

The gross profit as a percentage of sales decreased to 25.46% from 27.68% as compared to corresponding period of the last year due to increase in minimum wages and power & fuel rates. The reduction in EPS is mainly attributed to the reduction in share of profit from Associated Companies.

gholmon Sajal Hand

The Company achieved greasy production of 735,268 meters of fabric as compared to 558,017 meters of corresponding period of last year. The finance cost decreased despite the policy rate increased to 9.75% by State Bank of Pakistan due to less utilization of funds.

#### **FUTURE OUTLOOK**

While the economic recovery is underway, the Country is facing the new variant of COVID-19, inflation and external sector pressures. The acceleration of worldwide inflation, as well as a significant increase in freight charges is contributing towards increase in cost of imported raw-materials. These factors would lead to an increase in the cost of production. The Company will also remain exposed to the risk of adverse fluctuation in the Pak Rupee vs. US\$ parity. Despite various challenges, the Company is working on strategies to overcome these challenges and remains committed to provide quality products to its customers striving towards enhancing shareholder value through improved sales and by working on introducing value added products for the benefit of its stakeholders.

#### THANKS AND APPRECIATION

The Company acknowledges the continued support received from its customers and their confidence in the Company. We are also thankful to all stakeholders, Bankers, dealers, vendors, employees and Associates for their valuable support.

For & on behalf of the Board of Directors,

Lt. Gen. Ali Kuli Khan Khattak (Retd.) Director

## Independent Auditors' Review Report to the Members of Bannu Woollen Mills Limited

## Report on Review of Interim Financial Statements

### Introduction

We have reviewed the accompanying condensed interim statement of financial position of Bannu Woollen Mills Limited (the Company) as at December 31, 2021 and the related condensed interim statement of profit or loss and other comprehensive income, condensed interim statement of changes in equity, and condensed interim statement of cash flows, and notes to the condensed interim financial statements for the six months period then ended (here-in-after referred to as "interim financial statements"). Management is responsible for the preparation and presentation of these interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these interim financial statements based on our review.

The figures of the condensed interim statement of profit or loss and other comprehensive income for the quarters ended December 31, 2020 and December 31, 2021 have not been reviewed, as we are required to review only the cumulative figures for the six months period ended December 31, 2021.

### Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of condensed interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial statements are not prepared, in all material respects, in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting.

The engagement partner on the review resulting in this independent auditors' review report is Nafees ud din.
